KARGER

A long history of medical publishing
comes alive again in the

Karger Journal Archive Collection

The Journal Archive Collection comprises all digitised Karger journal issues from 1997 back to each title's first year of publication. Our current electronic publishing started in 1998. Structured in 5 subject packages, the collection consists of 64 titles with a total of 2,217 publication years. The digitisation process will be complete by the end of 2009.

Basic price per subject package: **CHF 12 000 / EUR 7 500 / \$ 10 000**

Single payment offer with 10% discount

- Single payment for the complete collection
CHF 54 000 / EUR 34 000 / \$ 45 000
